I acknowledge and accept that the Student’s participation in any curricular or extra curricular activity is entirely voluntary and all risks attendant to such participation are freely and voluntarily assumed by the Student and me. For the avoidance of doubt, the terms “participate” and “participation” are not restricted to active involvement but are deemed to include the Student’s mere presence or attendance at or in the activity.

I have ensured that the Student understands that it is important for his/her safety, and for the safety of the group that any rules, directions and instructions given by the School’s employees or agents are obeyed.

In consideration of the Student being allowed to participate in any curricular or extra curricular activity, I hereby agree not to hold the School or any of its servants employees and/or agents liable for any personal injury, death, expense, loss and/or damage caused to and/or suffered by the Student, unless the same is proved to be the direct result of any negligent act or willful default of any servant employee or agent of the School; and I agree to indemnify them against and hold them harmless from any expense loss and/or damages arising from or pursuant to the Student’s participation which is not the direct result of any negligent act or willful default of any servant employee or agent of the School.

I further give permission to the School to act, through any accompanying staff or agent of the School, on my behalf and to make appropriate decisions including authorization of emergency evacuation medical attention and/or treatment as recommended by a physician and/or hospital.
